

ANNOUNCING THE OZARKVIEW

**ANOTHER PREMIUM WINDOW
PRODUCT FROM WINTECH!**

**Providing windows to the modular
industry for over 15 years!**

Elegant Appearance and Performance Driven

WinTech's OzarkView windows offer superior performance and classic elegant appearance in a wide range of product offering. With fusion welded mainframes and sashes, composite-reinforced interlocking meeting rails and performance insulated glass, the OzarkView is the perfect fit for your Residential and Commercial needs. Available in:

Fixed Window

Single Hung Window

Double Hung Window

Sliding Window

Innovative sash retainer utilized for superior air resistance & reduced reinforcement.

+/- 50PSF testing on all products.

When Quality and Assurance Count

All OzarkView windows are tested to the highest standards and are certified by the following testing agencies. AAMA (FGIA), NFRC, and Keystone.

Insulated Glazing Options

Reducing energy loss is most often the primary reason for window replacement. Because windows are made up primarily of glass it is critical to choose the proper glass for your location. The OzarkView window series offers a wide range of insulated glazing options equipped with low e (low-emissivity), tints and argon gas to help meet your code and climate needs.
